Alma Mater

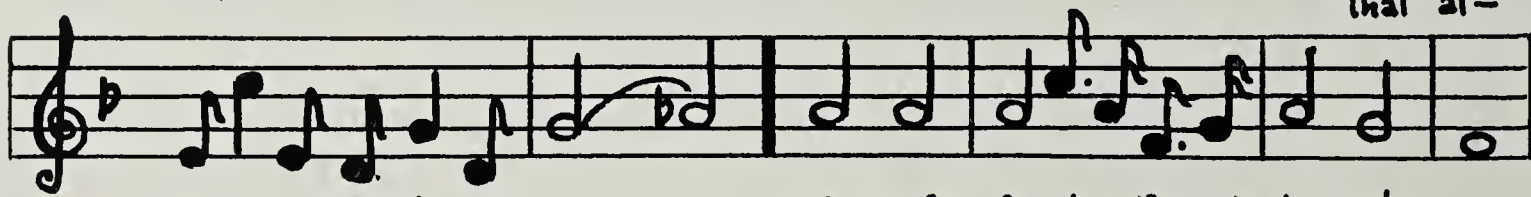

There's a School in every city that is worthy of love and of praise, It's the

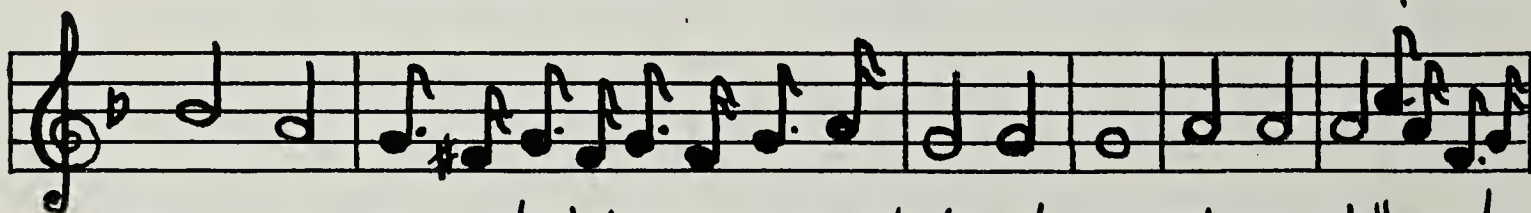

joy of the whole population, and for it we shall strive all our days. In England, France and sunny

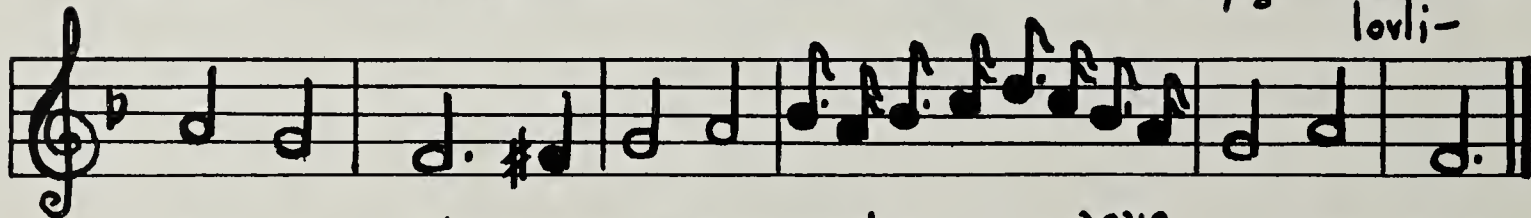

Italy, There's a famous school upon each hill, But my heart has a thrill for a dear one still that af-

fection no other can win Dear St. Paul how I love to hear thy name

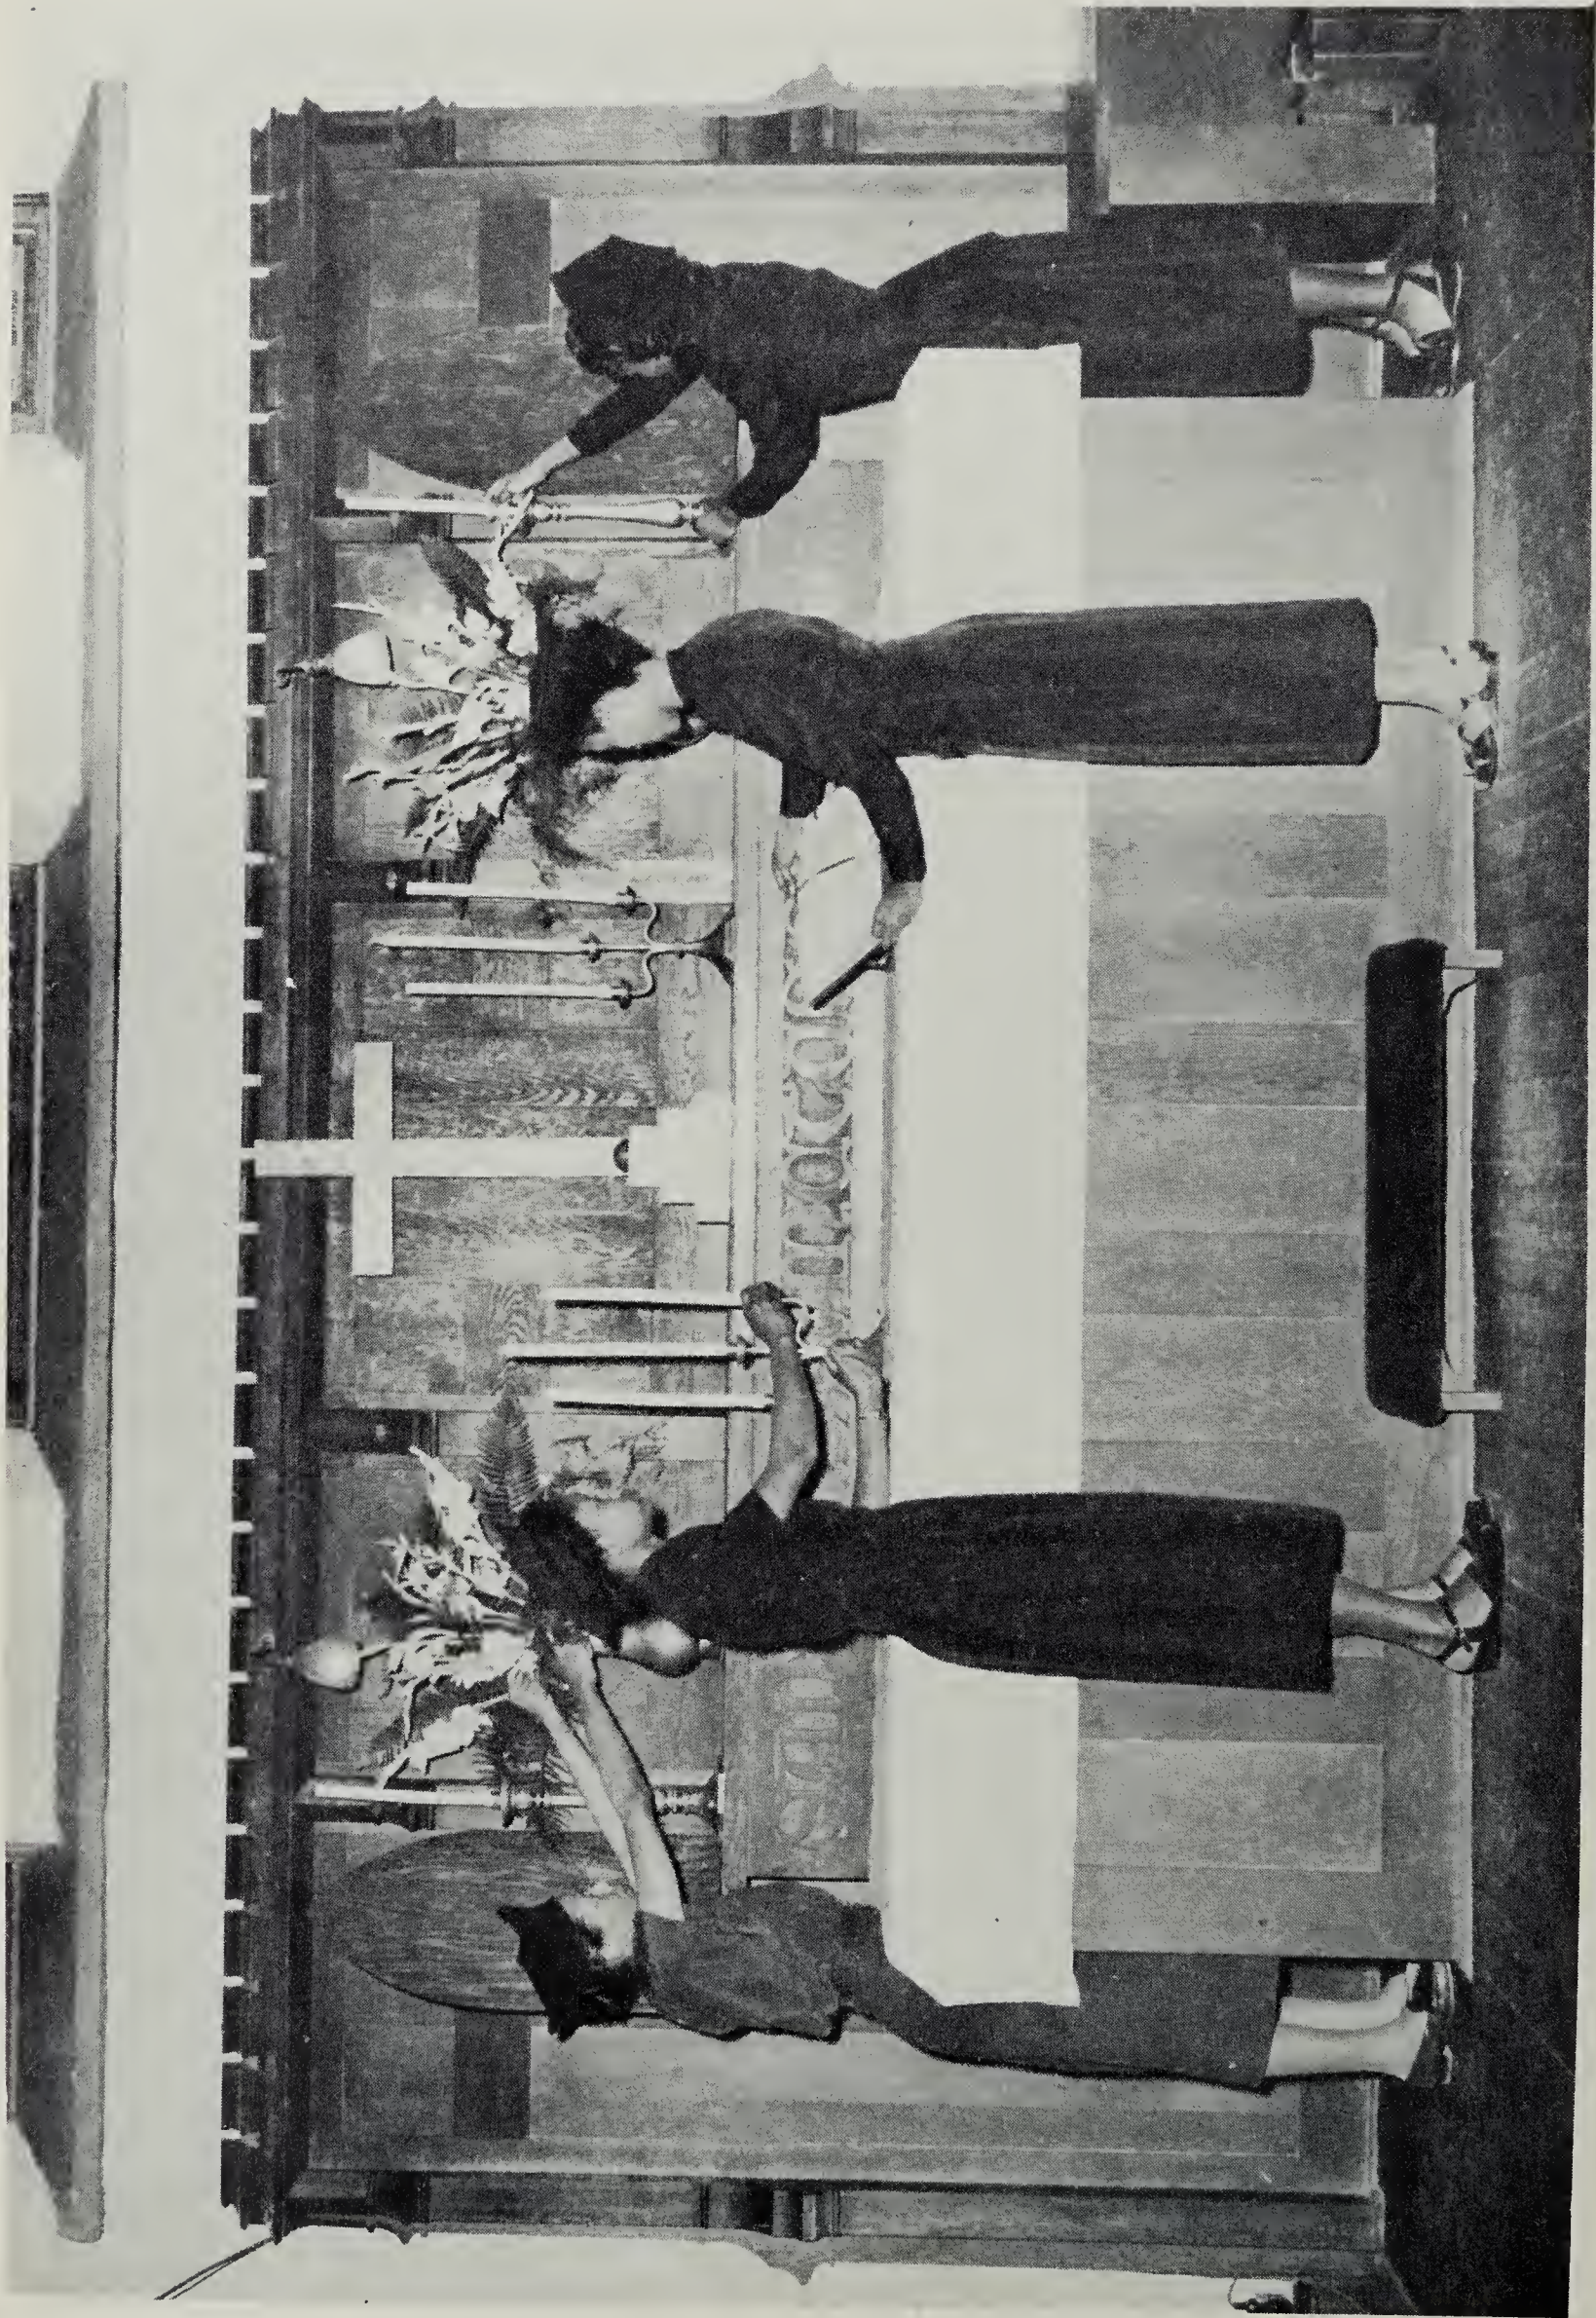

There's no other school that ever seems to be the same Thy green hills are the lovli-

est of all and some day we'll become ^{again} to dear St. Paul.

She has faults, but why should we mind them,
And away from St. Paul seek to move,
For wherever you go you will find them;
But we're young and have time to improve.
I love the old school, I admit it,
With its faults and its struggles and all,
And I'd sooner next fall go back to St. Paul
Than to any old school that I know.

Dedication

DEDICATION

As an expression of our sincere appreciation and gratitude for his unselfish devotion and service in promoting the activities in the interest of the students of St. Paul's Polytechnic Institute, the class of '49 dedicates this annual to its president, Dr. James Alvin Russell.

It is our hope that the spirit of Dr. Russell will live endlessly in the minds of this graduating class. May his influence for good in the lives of mankind forever remain with us.

Dr. J. Calvin Russell

In Appreciation

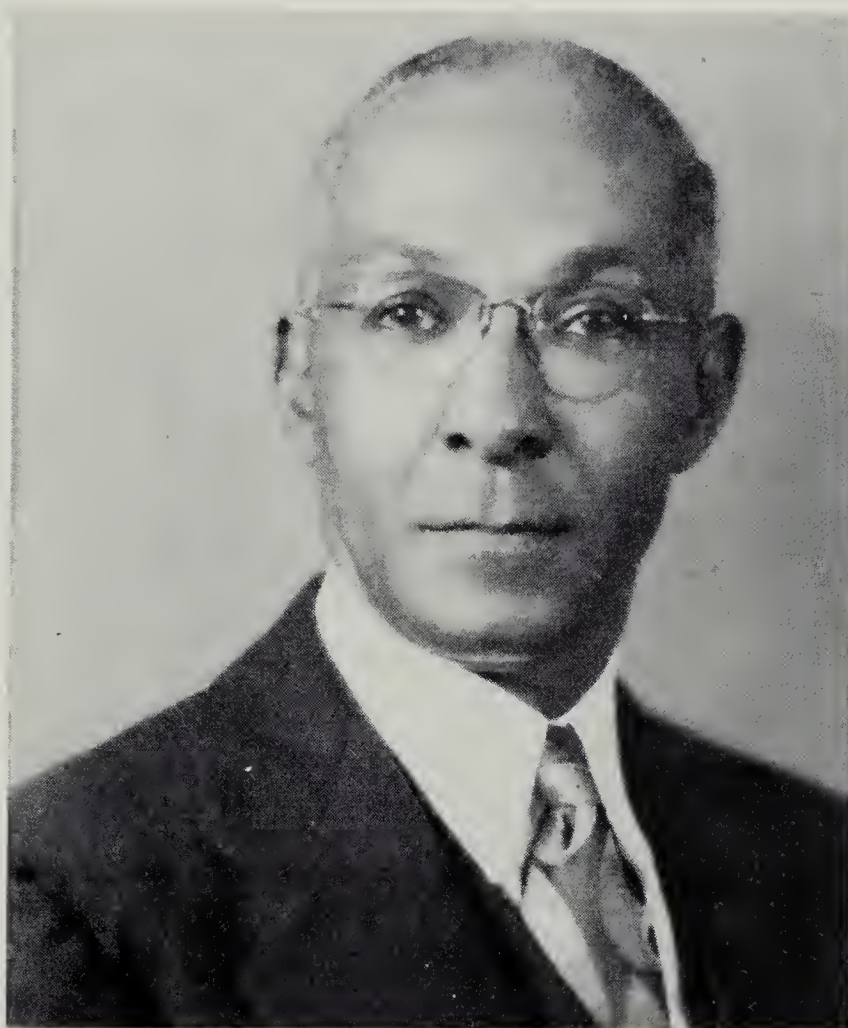

Our adviser Mrs. Lettice St. Russell, has endeared herself to all of us through our four years here. Sagacious, benevolent, genial, she gave unstintingly of her time and counsel to the affairs of the class and contributed generously to the creation and development of "The Tiger '49".

Prophecy

Deep within the mystic future I gaze upon my fellow classmates in the various fields of their endeavor. I see: Arthur Wilkins and Arthur Winfield, co-owners of West Coast, Inc., Architectural Engineers. Joyce Lawson and Elizabeth Jordan are their private secretaries.

Lela Wilson was admitted to the bar by the state of Maryland. Lillian Gravely is director of Business Administration at Maryland University and Mary Wood is supervisor of Home Economics in the city system in Baltimore.

Bessie Chatmon will make her musical debut Sunday, June 5, 1950, and W. B. Jones will be guest conductor with the Boston Symphony Orchestra.

In Chicago people are stopping in Letha's Leather Shoppe for the finest in leather, and through the portals of Eleanor's House of Beauty in D. C. pass the world's most beautiful women, Eleanor Murphy, proprietor. Marian Person has just returned from an extensive tour of the Latin Americas with ideas for those charming designs shown in her shoppe on Fifth Avenue. Eleanor Johns, Lillian Coleman and Gazaria Brown, her assistants, traveled with her.

Have you read the articles on "The Care of Your Children," by Mattie Hicks, Helen Robertson and Louanna White, published weekly in The Ladies Home Magazine? Catherine Tillar is editor; Virginia Mabry, associate editor. Georgia White has an interesting article on "Your Clothes and You" in the same magazine.

Mrs. Ellen Nelson is doing well with her kindergarten in Lawrenceville. Mary Hill is working with her.

Gilbert Darden is in Mexico working on that book he has always wanted to write.

Charles Dabney is the owner of one of the largest oyster businesses in the country. It takes all of Mary Coleman's and Teresa Owens' time to keep the books straight.

Wedding bells! Katherine Jones finally married Cyrus last week; she was a beautiful bride.

Have you seen the Sheik of Araby? No? Well if you are ever in D. C. go up on 7th and there he is, none other than Thomas Mays.

There are others of the class but they are moving so fast until I can't keep up with them. They are really living.

Everything is fading now and the prophecy is over. Well it was wonderful while it lasted.
